Hon. Commissioner of Patents and Trademarks, Washington, D.C. 20231.

Sir,

Request for increase response period
to the first office action due to mailing delay

RECEIVED

SEP 11 1997

GROUP 2200

The first office action dated 04/21/97 was received on 06/20/97. The reason for such a long delay is probably that, the post office had delivered it by surface mail. Actually this can be expected because the envelop of it has no "AIR MAIL" mark thereon. I enclosed herewith its envelop as evident, and hereby request the response period to be calculated from the date I received it.

Request for a One Month Extension to response to first office action

Should above request of mine be not acceptable to the Office, I would like to request for a one month extension to the period of response to the first office action dated 04/21/97. Submitted herewith is the extension fee \$ 55 (small entity) .

Thanks for your attention !
